# purity

HADAKA comes from the Japanese language, meaning “naked, nude or bare”, which is a representation of the philosophy of the brand.

We believe in celebrating simplicity and nature. Our HADAKA line is simple yet efficient, pared down to the essentials in the beauty regimen. The ingredients are chosen for their qualities, their efficiency and especially their truthfulness. The list of ingredients in our products are short, just the essentials that our bodies need. No fillers or harmful ingredients.

Starting with all-natural, cruelty free, wild harvested ingredients, HADAKA began in an effort to preserve and be conscious of what we put on and into our skin, and we take pride in delivering high quality, noticeable results.

Give your skin the care it deserves.
